Report Title: 143rd Girit Celebrations- School Based Programme, 13th May 2022

Theme: Remembering Fiji's Girit History.

Summary of the Report

The 143rd Girit celebration was conducted in on school on 13th of May 2020 in the school premises with all class levels taking part including the Jack and Jill Kindergarten.

The highlight of the program was the oratory contest which Years 4 to 8 took part in at the allocated time and venues as discussed prior on Monday 9th of May 2022 with the literacy coordinators and the Oratory team.

Students at the lower primary level took part in the songs, rhymes and prepared posters on the theme. Additionally, the orators were encouraged to come in mufti that portrays the culture (dressing style) of the Giritiyas.

It was overwhelming to see teachers and students preparing well with displays of the archaic items such as the utensils used by the Giritiyas during their tenure as the indentured labourers.
