Nadi Sangam Primary
School and Jack 'N'
Jill kindergarten.*

*I once again welcome
you all to term 4 2021
academic year.*

INTRODUCTION

The school re-opened on 4th January for year 8's and then February 14th for all year levels.

It was almost 8 months schools around the country were closed due to Covid-19 pandemic. This made children to stay home for a very long time and may be in the history of MEHA. First day of school we had 70% attendance and later it reached to 95%. I wish to thank the Parents and Guardians for sending your children to school even though the pandemic is not completely over
