

1076 NADI SANGAM PRIMARY SCHOOL

REACH- OUT

HEAD TEACHERS MESSAGE

Our motto '*Enter to Learn, Go forth to serve*' is the guiding force and we remain committed to our endeavor.

I welcome you all to this great institution of higher learning and assure you of a nurturing and caring environment that will see all of you blossom into empowered. I also take this opportunity to thank the parents and guardians of our students for having bestowed their faith and confidence in us. Your faith in us is our driving force. I assure that Nadi Sangam Primary School will play a meaningful role in the competitive times ahead and scale new

heights, translating the dreams of the people of the community into reality and bring quality education. I pray for future growth and prosperity of the school and wish the management, staff, parents and students all success in the years to come.

Today, the role of a school is not only to pursue academic excellence but also to motivate and empower its students to be lifelong learners, critical thinkers, and productive members of an ever-changing global society. The school is striving hard to make the best

possible efforts to inculcate strong values combining with academics and extra-curricular activities in the children. Children need a supportive environment at home and at school. They need to set goals, within their reach until they gain confidence and determination. They should re-examine their priorities, set clean goals and make specific plans to achieve what they desire. Focusing on specific goals, helps them move forward purposefully in life.

CAPS Meeting 2019

Had meetings for years 1-8 parents and kindergarten as well on different occasions. It is rather hard to cater everyone at once.

Would like to thank all the parents that participated during the allocated days for discussion. It was a grand success and managed to disseminate a lot of information to the present parents. Once again VINAKA VAKALEVU, THANK YOU AND DHANYA VAAD.

KINDERGARTEN REPORT TERM 1

“When you start learning something new it must be with the aim of eventual perfection, not for short-term gains. Learning should never stop; there is always more to be learn on a subject, if you dig deeper into it”.

This year we have 9 teachers looking after the 150 kindergarten children. The school offers 2 sessions from Monday to Friday. Morning session starts at 8.30 and ends at 11.30 am while afternoon session is from 11.30a.m to 2.30p.m. We have enrolled children from all ethnicity and community. The school would like to thank the parents for showing interests with us. We have a new and modern play center with lot of resources. Teachers are highly encouraged to use modern technology while teaching. Soon our kindergarten is getting a new outlook with educational paintings done inside.

**Thank you

NEW SPORTS WEAR.....

AS mentioned earlier that the school has decided to introduce sports attire to all the children from year 1-8 respectively. This has also been discussed in our CAPS meeting last month. Parents have shown positive support towards this worthy cause. We have already distributed students into 4 section colours taking into account the

family siblings as well. Please ask your children as to what colours they are in and start placing your orders with your respective class teachers. The pants for boys and wrap around skirts for girls will be black. We will only have t-shirt colours while black for bottom wear. The cost prize will be \$ 20 a set for girls and boys. Please feel free to discuss with the HT if need be before

purchasing. The introduction offer will be available as soon as it is done. Children can come to school wearing the attire during their PE lessons. There is no need for them to come into their school uniform, and instead wear their colours.

Contact your class teachers for further details.
