REACH- OUT

HEAD TEACHERS MESSAGE

"We live today in a world that is so very different from the one we grew up in, the one we were educated in. The world today is changing at such an accelerated rate and we as educators need to pause and reflect on this entire system of Education". As the Head of the school, I feel honored and privileged to be part of an educational institution where every stakeholder is a learner and every day is an opportunity to learn and discover. We look at ourselves as a community of learners, where everyone learns including our teachers and parents. I believe in upholding high standards with an absolute commitment to strive to understand and improve the educational process, using team strategies, while wholly centering on student achievement.

Our school prides itself on 'multiple learning outcomes' for curricular, extra-curricular activities, Tamil and Computer lessons offered to students, on the highly positive attitude and behavior of students and on the constant focus by our qualified staff on developing, personalizing and transforming teaching approaches to meet the best needs of our students.

Please ask your children as to what colours they are in and start placing your orders with your respective class teachers. The pants for boys and wrap

around skirts for girls will be black. We will only have t-shirt colours while black for bottom wear. The cost prize is \$ 20 a set for girls and boys. Please feel free to discuss with the HT if need be before purchasing. Children can come to school wearing the attire during their PE lessons.

There is no need for them to come into their school uniform, and instead wear their colours. **For new and year 1 parents, please discuss with your class teachers for more details on colours and sizes.**
