Dear Parents / Guardians
Greetings

RE: KINDERGARTEN ENROLMENT

Please be informed that Jack 'N' Jill kindergarten has started its enrolment and will end this week on Friday 4th November. We have 60 spaces available in the morning session and 60 in the afternoon session. All application and enrolment will be done under ***"First come first serve basis"***. No appointments, reservations or what's so ever will be entertained. Please follow the following criteria before appearing for the enrolment. Remember, the child has to be present on the enrolment day.

The following criteria will be used for the enrolment.

1. Enrolment age for ECE is **1st of July 2017 to 30th June 2018**. This is the age bracket in which your child should fall into. We are not enrolling any under age child now. This will entirely depend on the space availability.
2. **Requirements for the enrolment:** B/C, 2 passport size for the child and 1 for the parents or guardians, photo of a person who will pick and drop if different from parents, copy if TIN for both child and parents, Health card from Health center, copy of electricity or water bill for proof of residence.
3. **Enrolment will be processed in the following order of priority:** 2 km Home zone, siblings of students who are currently schooling, child of employees or staff and all other application if there is space available.

With thanks
